Local Delivery Service

Our handy home delivery service makes life easier for you and your pooch. One of our trucks or a local courier service will deliver our healthy meals, snacks and supplements directly to your door. If you prefer to use your own courier service, we can prepare your order for delivery and have it ready when they arrive.

In a hurry? Our Will Call service offers the quick pick up you need to keep pace with your active lifestyle. So before you visit, give us a call or shoot us an email and we'll have your order ready when you arrive at our kitchen or pantry.

If you live outside of our local delivery area, shipping can be a cost-effective option. For orders involving our fresh-frozen products, we use a custom-made insulated box packed with enough dry ice to ensure that your products arrive as frozen as when they left our kitchen. If you would like to purchase JustFoodForDogs' products online you can do so at justfoodfordogs.com
